^e
1. He was ambitious, wanted to grow and
^G
normal things he didn't approve,
^D
stylish from hair to tip of the toe and
^A
he strived for changes, the world to move.

2. And he started contradicting
always keeping the last word,
he spread sarcasm men afflicting
and he rose up with ambition and hurt

Refrain: ^e Arrogance (^Gdisagrees with you), arrogance-(^Ddisagrees with you) ^h
^e Arrogance -(^Gdisagrees with you), arrogance-(^Ddisagrees with you) ^h

3. Disregarding doubt and scruple
he wished to be adored, revered,
but he didn't notice his own devil,
and his honor disappeared.

4. He couldn't perceive aversion, disdain
carried towards him by the men.
Spreading mockery, scorn and pain
solitude became his fan.

Refrain: Arrogance (^Gdisagrees with you)
