3. Let`s perceive, Lord, Your love`s wonder,
where Your mercy`s waiting yonder.

Help to get out of the halls
we got claims to all the things.
with all the flowers, pearls and rings.

Lead on right ways us with kindness,
Save us from conceit and avarice,
Show us, how the charity to cherish,
- reproach us with the mistakes.

from the tie of vanity.
lend divine humanity.
