1. Father, thank you for your word
g Ees B F
spending confidence, courage, hope,
B c Ees g7 B F
when we are without comfort nothing daring.
B F B
All the same, what might occur
F B F B
and which hardship envelopes,
g F Ees g F Ees F B
you`ll give power to withstand, help it bearing.

2. How many times we had been scared,
didn`t know, where we should go,
without confidence and trust, irritated?
But despite of all despair
and the blues we learned to know,
you gave power to withstand, to fight united.

3. Father, thank you for your word,
which can show in grief and need,
GOD will help us, we`re not lost in isolation.
You`re the saviour, when we`re hurt
and our hearts will ache and bleed.
Give us power to withstand each temptation.
