

# FOR YOUR NEW LIFE`S PERIOD

( C – major )

1. If two young men beg GOD confessing  
to attend them, ask for blessing,  
GOD will always grant protection  
He`s the only one who never will recede.

and believing he will lead  
for his help in grief and need,  
and support for their connection.

2. He, who rules the powers of nature,  
he can shape our paths in future,  
You can trust on his assistance,  
So rely on his great plans.

who`s defining life`s essence,  
helps to grow, to find the sense.  
he will conquer all resistance.

3. So preserve your love, affection,  
if you differ in word and action,  
Keep to GOD in mind and action,  
for your new life`s period.

take respect to the others thought,  
then reconcile, if you had fought.
