

HERE IN THIS HOLY BUILDUNG

(D major)

Prelude: D - G - D - h7 - A - G - D - G - D - A

1. Here in this holy building we declare
our wish to stay together and to share
the further way with all its ups and downs
being sure, that GOD`s love is all around.

2. May our feeling, acting, thoughts
led by respect, forgiveness like You taught.
Despite of adversities, which might appear
let us be thankful without anger, without fear.

3. We all are living by GOD`s might and grace,
thus may his love forever set the pace.
Love is determined to lead us to the aim,
Which is enlightened by GOD`s everlasting flame.

Interlude: B - F - C - B - F - D - G

4. We all are originated from the same source,
which takes influence on the universe`s course.
May it`s power penetrate our heart and mind,
and may GOD`s love us shelter, lead and bind.
