

# IF ONLY LOVE WILL INFLUENCE OUR HEART

1. <sup>D</sup> There are <sup>D4</sup> days, <sup>D</sup> we <sup>G</sup> incline to sigh and despair,  
<sup>D</sup> don`<sup>G</sup> t understand <sup>D</sup> the <sup>h</sup> world nor <sup>A</sup> GOD nor fate,  
<sup>fis</sup> we <sup>h</sup> tend to <sup>A</sup> justice the <sup>D</sup> others, <sup>h</sup> often not fair,  
<sup>e</sup> if <sup>h</sup> our <sup>A</sup> wheels <sup>D</sup> seem to role another way.

<sup>G</sup> But there is <sup>A</sup> hope, that <sup>D</sup> belief in hope and trust in  
<sup>G</sup> GOD`s <sup>E</sup> might to <sup>A</sup> cure all afflictions and what`s apart.  
<sup>D</sup> He <sup>G</sup> shows the way <sup>D</sup> through <sup>fis</sup> sweet and blood , and we can win,  
<sup>h</sup> If <sup>D</sup> only <sup>A</sup> love <sup>D</sup> will influence our heart.

2. In times, when we try to fight for own wants,  
when we`re surrounded Chaos, grieve and pain,  
we need some people reflecting and opponents,  
who are not willing always to agree, try to disdain.

Does GOD like children always accepting, who are bending,  
crumbling away, not willing to commend,  
who turn away and hush up truth, no signs are sending,  
who never care for justice, lift up their hand.

3. May be, that our thoughts show deviation,  
often you cannot see patience, tolerance.  
But at least we all search for freedom, consolation.  
We can withstand selfishness and arrogance.
4. Even if sometimes we are quarrelling, fighting, brawling,  
and our acting is not filled with elegance,  
we may be touched by GOD`s love always calling  
for our insight, granting confidence.

Thanks, GOD, for all attending souls, who are sailing  
the same direction giving us support,  
who try to comfort, even if they themselves are failing,  
who send a light into our heart, we thank you, LORD.
