

WHEN THE CURTAIN WAS TORN

(C – major)

C **C4** **C** **F**
1. When the curtain was torn, then a new age was born,
C **a** **G**
when Jesus said his last words:
C4 **C** **F**
“It’s accomplished now!”, he didn’t death allow
C **G** **C**
to be the end of our dreams.

2. Eastern means, God lives, and he grants and gives
his great mercy. So trust his word,
his love will never fade, and he will always wait
for you. His patience you should esteem.

3. If even the worlds breaks down destroying land and town,
your soul cannot be hurt.
Death means not the end, trust the sign God sent
and all promises he will redeem.

a **G** **F**
Refrain: Even though the tomb was empty
a **G** **D**
and the stone was rolled away,
a **G** **F** **C**
Jesus conquered death and suffering.
d **a** **G**
For your guilt he had to pay,
F **G** **C**
for your guilt he had to pay.

4. If the doubts will come, look at, what he’d done,
listen to the Eastern message!
Death means, we’ll get home back to heaven’s dome,
to the glory of the Lord.

5. No secular might, not the devil’s fight,
even if you look into the death’s visage,
no attack, no sword, nothing cuts the cord
between the mankind and GOD.
