

AS A SAMARITAN

(C – major)

A **E** **fis** **A**
1. When there is despair, grief and need,
H **H7** **E4** **E**
and burden is bending our neighbour,
A **Cis** **fis** **h**
let mercy our acting lead,
A **E** **D A** **E**
let us regard it as a joy, not as a labour.

2. If I meet him wounded on my way,
and all the other people are passing
lend charity for care, let me stay,
and grand mercy, which is everlasting.

Interpart: **A – E – fis – A – H – H7 – E4 – E**
A – Cis – fis – h – A – E – D – A – E

3. Give courage, an open eye and ear
for all the pain and sorrow
my neighbour has to bear and fear.
as a Samaritan fellow feeling borrow.
