

IT IS ALL HERE WELL DEvised

(E- major)

Prelude: E - H - A - E - A - E - fis - E - H

^E 1. Faith and confidence, Lord, give us,
^A and with courage, joy let`s live us.
^E Let us trust in Your holy message
^A For our ways, please, grant Your blessing,

^A even if once doubts arise,
^A Your grace, Lord, let us realize.
^E taking rise from Your love and truth.
^A on Your side we`ll never lose.

2. And some troubles, complications,
pain and illness, broken relations
Life means not only enjoyment,
There is also sweat and employment,

unfulfilled desires, grief,
are produced by fate, we believe.
safeness, convenience, rest.
grievous learning, when you`re oppressed.

Interpart: E - H - A - E - A - E - A - E - H
E - H - A - E - A - E - A - E - H

3. Grant us insight into Your actions
Let us trust in your protection,
Show us again and again Your size,
and we are able to recognize

and your plans for the big goal.
that once we can find peace for our soul.
until we have internalized
it is all here well devised,
^A it is all here well devised. ^{H E}
