

LET ME GO

(d- minor)

Prelude: d - C - B - F - g - F
 d - C - F - B g - A4 A A

d C B F g F
 1. Many years have passed by, many hills we had to climb.
 d C F B g A4 A
 Even if we had to sigh, it has been a marvelous time.
 d C B F g F
 Even if we had to struggle and had to endure grief and pain,
 d C F B g A4 A
 I don't want to miss a day, and no effort was in vain.
 a C G B A4 A
 But the time has come to leave, I hope, regret I'll never show.
 d C F B g A4 A
 Don't know, which chance I will receive, but let me go.

2. I suppose, you will be despaired, perhaps, you will drop into a precipice,
 that you'll condemn the time we shared, that hate and rejection will arise.
 But everyone needs his inner freedom, you can never stop his urge.
 You show real love if you see him as a being here on search.
 But if you try to hold him back means to insist on one's property.
 True love can let go, so let me free.

Interlude: d - C - B - F - g - F - d - G - F - B g - A4 A
 a - C - G - B - A4- A - dCF - BgA

3. That I must chose to walk alone, is not your guilt, not the result
 of any false steps, humiliating tones. Just my soul gives the impulse.
 I don't really want to hurt you, because my love for you still shines.
 And whatever will occur, I wouldn't forget the wonderful times.
 Maybe, you'll be able to follow it once and understanding you will show,
 that I have chosen this step now, let me go.

Afterlude: A4 A - d - C - B - F - g - F
