

REALLY CHRISTMAS?

(D – major)

Prelude: D – D – A – A – D – D – A – A

- 1.** The candle-lights illuminate the earth
all over the world proclaiming Jesus` birth.
The joys for all the presents and the Christmas nativity play
seem to drive all the workday worries now away.
How peaceful and silent the holy night of dreams,
the world is touched by heavens warming beams.
- 2.** But despite of all the splendor, nice songs and cute toys
I don` t think, that he, who deserves this Christmas, really enjoys;
all the hustle and bustle, consumption, glutted shelves?
Do we ignore or just fool ourselves?
Does he really like the manifold gifts sell in stores
and this ecstasy, which Christmas just ignores.
- 3.** If God looks at the people, how they try
to insist on properties, while people sigh
suffering from hunger, poverty,
damned to a sorrowful destiny,
how self-interest, squander mania increased,
I don` t think, that he really would be pleased.

- 4.** Hate, egoism, ruthlessness, and crime
are spread all over the world and all the time.
There are persecution, torture, naked force
in any shades, violence without remorse.
We often don` t show mercy, when we act,
and Christmas cannot be fooled by this fact.
- 5.** Each of us tends to deny his own faults,
forgets the message, for which Christmas calls.
If we are honest, behind our doors
lays a lot of dirt and rubbish on the floors.
Please forgive, oh Lord, all the false steps we made.
For the Christmas message never it`s too late.
let Christmas become a sign to heaven`s gate.
