

PASSION

(H-major)

Prelude: II: H - E - H - 2E - H - E - Fis4 Fis :II

1. ^H Passion is an inner ^E yearning,
^H ^{2E} led by ^H courage, dedication
^{Fis} ^E and the wish to get ^H success.
^H ^E Passion is a flame, that`s burning,
^H ^{2E} to achieve with ^H contemplation
^{Fis} ^E ^H one own`s goal, to do the best.

Bridge:

^{Fis} ^E ^H Passion draws from hidden powers,
^{Fis} ^E ^H that are striving for the end
^D ^A ^E and will crown the success of mind.
^{Fis} ^E ^H Passion knows no minutes, hours,
^{Fis} ^E ^H doesn`t need itself to defend
^G ^D ^{Fis4} ^{Fis} and leaves all objections behind.

Interlude: II: H - E - H - 2E - H - E - Fis4 Fis :II

2. Passion, paired with curiosity,
is the engine of progress,
evolution, scientific trends.
Chemistry, physics and philosophy
would probably not be of interest
without active spirits and hands.

Afterlude: D - E - H
