| <p>1. I don't know, why she left me.<br/>She spoke rather calmly,<br/>Time is cruel, quickly fading,<br/>For an answer I'm still waiting,</p>                    | <p>I am lonely here in the rain.<br/>but I knew, all my begging was in vain.<br/>I lack love and harmony.<br/>why she longs to be free?</p>                    |
| <p>2. All my efforts and my supplication<br/>She didn't notice my desperation,<br/>I knew, the dice were cast forever,<br/>It was obvious, that my endeavor</p>  | <p>were unsuccessful, as I feared.<br/>and I tried to hide my tears.<br/>there was no chance to turn the fate.<br/>to heal the relationship came too late.</p> |
| <p>So I walk through empty streets and<br/>And I stamp with burning feet and<br/>It breaks down, my cosmic system,<br/>No insight is useful here, no wisdom,</p> | <p>turn my night into a day.<br/>cannot eat, I wanna run away.<br/>I don't know how my fate to bear.<br/>and I doubt, that God is fair.</p>                    |
| <p>3. I feel lonesome and deserted,<br/>My little heart, she had hurt it,<br/>What went wrong in my relation,<br/>Is it punishment or temptation?</p>            | <p>exhausted lacking energy.<br/>there will be no future for me.<br/>what's the reason, why she's gone?<br/>There's no hope, no joy, no fun.</p>               |
| <p>4. Nothing on earth is everlasting,<br/>Life is cruel shadows casting.<br/>I hope, that hate will not arise, as<br/>I don't need comfort, good advices.</p>   | <p>well, I know it, but it aggrieves.<br/>I'm devastated, when she leaves.<br/>usually the time would bring.<br/>I feel lonesome and take off my ring.</p>     |
