

# TRUE LOVE

Prelude: D - G - DAA - D - G - A - D - G - DAA - G - A - DDD

- D A D  
1. True love never demands: "Forever"!  
G D A  
"Everlasting partnership"!  
fis h7 h  
Urge for exemption is its endeavour,  
e D A  
determines its relationship.

2. True love knows everyone must find his  
own way back to his own sun,  
and he never needs to bind his  
own wants towards on another one.

Refrain:

G A h A G  
True love will receive its power  
D A  
from itself, it knows, GOD stands by.  
fis D  
It shows confidence in every hour,  
G A D  
when other people complain and sigh.

Interlude: D - G - DAA - D - G - A - D - G - DAA - G - A - DDD

3. True love always grants the free space  
that the other needs to grow.  
It will always share the ways  
that are marked by hardship and woe.
4. True love discerns in the neighbour  
GOD's child in development.  
It doesn't expect submissive behaviour.  
It accepts freedom without end.

Refrain: True love will receive its power .....
