MORNING LIGHT

(D – major)

Prelude: D - B - F - C - B - C - A4 - A

D G D Morning light with warming beams, D fis A born to illuminate the earth, h G D Life-giving, creating nature`s dreams, e A elixir for every new birth.

It lets us breath and gives us power, dispels sadness and melancholy, adds the beauty to the flower, spreading GOD's energy.

Interlude: B - F - a - G - B - F - E4 E - A B - F - a - G - B - C - A4 - A

And in a metaphorical sense it means a fresh start, to begin a new work with immense possibilities, to complete and win.

<u>Afterlude:</u> B - F - a - G - B - F - E4 E - A B - F - a - G - B - C - A4 A - D - G - D - G - D - D
