CARRY ME ON WINGS

gewidmet Kerstin und Frederic zur Hochzeit

Hochzeitsong

Refrain:

Car- ry me on wings and hold me tight. Let's fly a- way with arms o- pen
wide, through all ad- ver- si- ties of life. Deep in- to life's ful- ness let us
dive. I. You know the weak points, mis- takes, I made. You know, what I
like, I pre- fer, what I hate. I can't get e- nough, tell me once more: You are my
one and all, the per- son I a- dore. I feel, that you are the on- ly
one, who suits me in sad- ness and in fun, that I can
trust and to whom I can look up with pride, I want to share my future with you
by my side. If you are by my side, I feel all-
right. I want you to stay with me by day and by night. When we're to-
ge- ther, eve- ry mo- ment I could freeze. I need you like the air, that I breathe.
And if some day the fate will bring tears to me, you will be there as near as you can
