

OUR CREATION

Prelude: a - D - a - D

1. ^a Most of us live without much reflection ^C
^G unwilling to think about meaning and goals. ^d
^F They show predictable and thoughtless actions, ^C
^F they often withdraw and take on a passive role. ^G
^a Driven by the ups and downs of life, ^C
^G they surrender to their fate, ^d
^F don't question anything, just try to survive. ^C
^F Turning points can unsettle and irritate. ^{E4 E}

Refrain:

^F But not fate, not the efforts of our leaders, ^C
^F not GOD's support, no coincidence ^C
^d largely determine the course of life. ^a
^F To negate that makes no sense. ^G
^F Through our thinking and our reflections, ^C
^F sometimes also through our actions ^a
^F we produce all the occasions ^C
^F for our growth. ^C Life is our creation. ^{E4 E}

Interlude: a - D - a - G - a - D - E4 - E

2. All the paths we tread and follow
are not mapped out by anyone.
All the problems we have to swallow,
all the attacks on us humans have done
are important to our spiritual way.
What matters is how we react.
The inner attitude defines heaven or hell. They
are creations of thoughts, that's a fact.

Refrain: But not fate, not the efforts

Afterlude: a - D - a - G - a - D - E4 - E - a
