

# YOU LACK DEPTH IN YOUR LIFE

(C-major)

C C C

1. I know you prefer those circles

and you try to emulate them,

that make life more comfortable

They live in wastefulness and luxury,

But you don't seem very happy,

I see you lack depth in your life.

2. And you take care of etiquette,  
you love traveling to foreign countries  
You can be seen at every important party,  
You only go to fine dining restaurants  
But even if you seem surrounded  
I see you lack depth in your life.

3. You're the boss of the game, always up to date,  
You show coolness but no feelings,  
You enjoy envious looks hoping  
You admire those who shine  
But you cannot find your peace,  
I see you lack depth in your life.

that are decorated with beads and rings,  
and you get used to the things,  
and make wishes and dreams come true.  
and you think, you're a part of this crew.  
you seem rather driven, dissatisfied?

you know every fashion boutique,  
and your furniture looks antique.  
you've a good taste and impress every girl.  
presenting yourself as a man of the world.  
by success, you lack something to survive.

and every day at the front of the stage.  
and you never get lost in rage.  
they might raise their eyes to you.  
in their glory as you do.  
something cuts in your soul like a knife.

4. Where were they, your good friends,  
No one of your snob-community  
Don't you see, you've built facades  
a world of busybodies and masquerades,  
but when things get serious they stay away.  
I see you lack depth in your life.

when you were struck by the serious disease?  
came to see you, no news for you to please.  
that fool you into a glittering world?  
snobs, handsome rich guys and girls  
They don't want commitment, just delight.

5. Show humanity and feelings,  
Pay attention to the needs of others,  
Don't let yourself be seduced and bent,  
Then you will experience true appreciation,  
You will learn the value of real relationships  
So don't hesitate an open your heart wide.

radiate warmth and harmony.  
show understanding and empathy.  
and just give yourself as you are.  
real affection then won't be far,  
and friendships where no one will hide.
