

CHILD OF THE UNIVERSE

Prelude: D - G - D - A - G - D - D

I often traveled along confusing ways,
G D A
I had experienced happy but also frightening days.
G A fis h
I often forgot all the good things I got.

On my map churches were a black spot

But God led me back, I was reconciled

with him, I'm a heaven's child.

2. You may be attached to mammon, to might
maybe the luxury life gives you delight,
may be that some people need success,
reputation and fame, but I confess:
I don't need reverence or a great filled purse,
'cause I'm a child of the universe.

Interlude: D - G - D - A - h - G - A4 A
C - e - D - G - D - A - D4 D

3. I had to learn that heaven's plans
mean more than just the struggle between birth and the end.
I had to learn that goods do not bring bliss.
If you get a lot, appreciation you will miss.
But many material things are transient and can burst,
but not souls as parts of the universe.

4. And then when the curtain falls,
I will return to heaven's halls,
back to my homeland from which I came.
where there is no guilt, no punishment, no blame.
I'm sure that death leads to rebirth,
'cause I'm a child of the universe.
