

## DEATH AND CONTEMPLATION:

A tinge of blissfulness  
At the grave  
But no one was there  
Carried by angels  
Death  
Enjoy the moment  
Evening`s stillness  
For all your striving  
GOD, may love impress and lead us  
GOD`S poetry  
How many people  
Hymn to humanity  
I am alone  
I am sick  
I had unlearned to cry and smile  
I have to say Good bye  
I think the time has come to say good bye  
I will get through it  
I`m missing you  
I`m ready to take off  
It`s time to leave this plane  
Learning  
Life can be exciting  
Mother  
Nobody is there  
Nothing here on earth is certain  
Nothing like always  
Our wish for peace  
Peace  
The creation  
The kitchen  
The light  
The luck we lost  
The old park bench  
The time will come  
Thoughts of a dying man  
Time to say farewell  
To enlighten the world  
Transitoriness  
When his bells ring for the last time  
Why always complaining  
Yes, I live
