

I SUBMIT TO MY FATHER`S WILL

Prelude: F – F4 F – C4 – C – F – F4 F – C4 – C

1. I submit to my Father`s will, even if I don`t always understand it,
He can help out of the misery, even if the future seems to have ended.
Even if I can`t influence fate and sorrow arises and I feel pain,
there`s no point to contemplate, no amount of thought will be in vain.
2. I submit to my Father`s will, even if people think I`m a fool,
I trust his plans and accept his commandments and his rules.
I know, there`s a reason for sorrow and grief, for the change from deep to high.
One day it will be understood, I believe, that`s why I don`t moan and sigh.
3. I submit to my Father`s will, even if doubts will appear.
If I once get weak and ill, I`ll not show despondency or fear.
I will turn my gaze to heaven again trusting in his aid.
I know he`s always by my side, no matter how many mistakes I`ve made.
4. I trust in God that everything will be fine. He will dry every tear.
Nothing can be frightening, if you know GOD is always near.
I`ve learned that some paths can amaize, ratings depend on your attitude.
Every morning begins with praise, every evening ends with gratitude,
5. Nothing can disconnect from his love, his everlasting attendance.
His light always will shine on us from above. We should always keep this in remembrance.
I will look forward with confidence, God will succeed in all his plans.
So I put my worries in his hands, his divine love, it never ends. F – F4F – C4 – C(fading)
