

A LOT OF YEARS = Ich bin froh, dass es dich gibt

Prelude: D - C2 - G - D - D - C2 - G - D

1. We had been together for many years, my love,
there were ups and downs on our way.
Now we sit again before the altar of GOD
to thank him for his guidance for every day.
that he accompanied us through crises and stormy weather
and gave us courage and comfort, brightened our mood.
So many times he stood by our side, held us together
and helped to find solutions and to avoid dispute.
2. After many years together we would like to renew our promise
to continue on our path according to GOD's Word.
May GOD help us to recognize the essential and to distinguish
what is hindering, what's beneficial, what may hurt.
You can always find reasons for dissatisfaction
and crises that you attribute to your partners mistakes.
That is why many couples separate, do not renew their affection,
but constantly emphasize what is wrong and what aches.

Interlude: D - C2 - G - D - D - C2 - G - D - A - D - G - D - e - h - G - A

3. Let us be grateful for GOD's goodness and patience,
which has led us this far and given us confidence
to move forward without wavering and without bad sensations,
that we are always safe and protected in his hands.
That we could accept each other's flaws and weaknesses
is a sign for forgiveness and true love.
We are grateful to GOD and we confess,
he has sent each of us a gift from above.
We are grateful to GOD and we confess,
he has sent each of us a gift from above.
