

THEN HEAVEN WILL REJOICE AGAIN

Prelude: C - F - C - F

1. When people seek security,
when they feel like they belong together and beyond
when they form a strong bond,
that it may be their destiny.
Then true love will be the core
of everything they are striving for.

Refrain:

When they feel their warmth and affection,
and you can see there's a deep connection,
and they help each other as best they can,
when they show mutual trust and respect
when they pursue the same values, if they act
then heaven will rejoice again.

2. If both feel the attraction
and give each other affection,
stay close in troubles and need,
offer comfort, show compassion, then this is indeed
a sign of true love, what heaven will please.

Refrain:

When they feel their warmth and affection...

3. When the two lovers live in the trust
that God will guide them until they turn to dust,
and that, moreover, with him they can achieve all their goals,
when they realize that God is always at their side,
they are protected day and night,
then the Holy Spirit has touched their souls.

Refrain:

When they feel their warmth and affection....
